Eastern emerald LEO I

457-461

MAJORIAN was made emperor
by RICIMER

Leo I, who became emperor of the East in 457, tried to revive the FIDEIUS with the Pannonian Goths. The "usual yearly payments" were stopped. After 2 yrs VALAMIR enquired of Constantinople what it thought loyal adherence to a treaty meant. His embassy returned home with nothing. VALAMIR opened hostilities. For the 1st

457

The news of the death of AVITVS
reached Gothic King Theodoric II
in Moredo Ementa where he was
encamped with his Army at the
beginning of 457.

Theodoric immediately returned
to Toulouse and handed over the Spanish
war to his subordinate officers who conducted
it with great cruelty against the Suevi and
